

Reminders

Harvest assemblies– 7th and 8th October– please check the annual diary for class dates.

History

What makes somebody significant?

The children will be learning about a variety of significant historical figures including Neil Armstrong, Mae Jemison and Tim Peake. The children have homework for the summer break linked to this topic.

French

Les saisons

The children will be learning about the different seasons and how to articulate if it is hot or cold.

Maths

Number

- Number and Place Value
- Addition and Subtraction

PE

This half term the children will be dancing in PE and sending and receiving a ball.

English

Look Up! By Nathan Byron

The aim of this unit will be to write a repeated poem. The children will be describing a character in their poem.

Croc and Bird by Alexis Deacon

The aim of this unit will be to write a story.

Science

Animals Including Humans

The children will be learning about the basic needs of animals, including humans. They will learn what all animals including humans need to survive, why we need to exercise, the importance of keeping clean and about human and animal lifecycles.

Computing

What is a computer?

The children will be learning how to identify a computer and about different types of technology.

Art

Colour Mixing

The children will be learning about colour mixing this half term with a focus on the work of Mark Rothko.

RE

Our big question for RE this half term is 'Why is light an important symbol for Christians, Jews and Hindus?'

PSHE

Being me in my world

In this topic the children will be learning about rewards and consequences.

Music Singing
