

Maths

In maths the children will continue addition and subtraction for two weeks. They will then finish the half term learning about money.

PE

This half term the children will take part in ball skills and dance lessons (alternate from what they did last half term)

French

In French, the children will be learning the names off rooms in our house.

DT

The children will be researching, designing and creating a healthy wrap!

PSHE

Celebrating difference

In this topic the children will learn about how we are all different and how these differences should be celebrated.

History

What makes an event significant?

The children will be learning about the Mayflower and its impact on Billericay. They will be exploring the links between the famous boat and Billericay Town Football Club.

The Mayflower

English

Hidden Figures by Margot Lee Shetterly

The aim of this unit will be to write a persuasive letter.

The Proper Way to Meet a Hedgehog by Paul B Janeczko

The aim of this unit is to write a poem.

Computing

Programming

The children will be exploring algorithms and debugging.

RE

Our big question for RE this half term is 'What does the Nativity story teach Christians about Jesus?'

Music

Pulse/beat

The children will be keeping a steady beat, finding the pulse and talking about tempo.

Science

Animals including humans

This half term we are continuing our topic of 'Animals Including Humans.' The children will be learning about eating a healthy, balanced diet and how we can sort food into groups.

Come on a journey!

Year 2 Autumn 2 Overview
