Key Stage 1 assessments

Children are assessed as working towards age related expectations, at age related expectations or at greater depth in reading, writing and maths and as working towards age related expectations or at age related expectations in science. We also assess whether children are working at age-related expectations in reading, writing and maths combined.

Year 2 teachers have used the national frameworks for English, maths and science to support their assessments which are also informed by non-statutory SATs test outcomes in reading; grammar, punctuation and spelling; and maths.
