

## Maths

In Maths the children will begin the half term learning about mass and capacity. They will then move on to learn about statistics and then finish with position and direction.

## PSHE

### Changing Me

In this topic the children will be thinking about their bodies and how they change as they grow.

## Design and Technology

The children will be creating a moving monster using linkages and pivots.

## PE

This half term the children will be completing either athletics or invasion games.

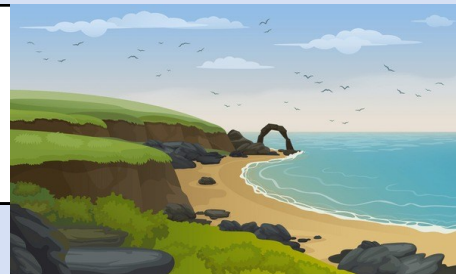

## English

### Bee & Me by Alison Jay

The aim of this unit will be to write a narrative and an explanation text.

### The Bee Who Spoke by Al MacCuish

The aim of this unit is to write a narrative.

## Coastlines

## Geography

### Coastlines

In this Geography Unit the children will learn what it's like to live beside the sea. They will be identifying human and physical features of the coast and describe how it is used by people.

## RE

Our big question for RE this half term is 'How do Jews express their faith

## Music

### Performing to an audience.

The children will also be participating in the Billericay Music Festival and our end of year performance. Our music lessons will focus on how to perform to an audience.

## Computing

### Stop motion

The children will be creating a stop motion animation.
