Headteacher: Ann Robinson

Dear Parents/Carers,

I write to you as we near the end of the Summer Term and I can't believe that another academic year is coming to an end and with it, my role as Year Two Lead as I prepare for my maternity leave. The children transitioned into Year Two with confidence and have demonstrated perseverance and determination throughout the year. We are so very proud of them all!

Since joining Year Two the children have been lucky enough to attend a variety of brilliant school trips; Chelmsford Theatre, Billericay Town FC and Chalkwell beach most recently. My favourite was the beach; seeing the children having fun paddling and building sandcastles creates precious memories.

The children have worked hard in every subject this year: In Design and Technology they made heathy wraps, a hand puppet and a moving monster. They were all so thrilled create their monsters and added detail including tails, spikes and teeth to make them unique. The awe and wonder moment when the children realised that their monsters worked and moved, was fantastic.

We have read and explored so many wonderful books; Bee & Me was a favourite of the children's and they produced some wonderful writing based on the story. We have also enjoyed sharing class novels. Sitting and reading to the children is one of my favourite activities; the joy, imagination and creativity created by reading and sharing books is invaluable.

We would like to thank you all for your continued support this year. We have all enjoyed teaching your children they have accomplished so much and are very ready to move to the Junior Site to continuing their learning journey at Buttsbury.

We hope you have a happy and safe summer break.

Mrs Pye and the Year Two Team.
